The book is divided into three parts:

- Part 1: The Application Process
- Part 2: The Personal Statement

- Part 3: The Interview

Part 1 covers everything you need to know about the college application process, from choosing the right schools to submitting your applications. Part 2 provides guidance on writing a strong personal statement that will make you stand out from the crowd. Part 3 offers tips on how to prepare for and ace your college interview.

The book is written by a team of experienced college counselors who have helped hundreds of students get into their dream schools. They know what it takes to succeed in the college application process, and they share their secrets in this book.

What You'll Learn From This Book

By reading this book, you will learn:

- How to choose the right colleges for you
- How to write a strong college application
- How to write a standout personal statement
- How to prepare for and ace your college interview
- And much more!

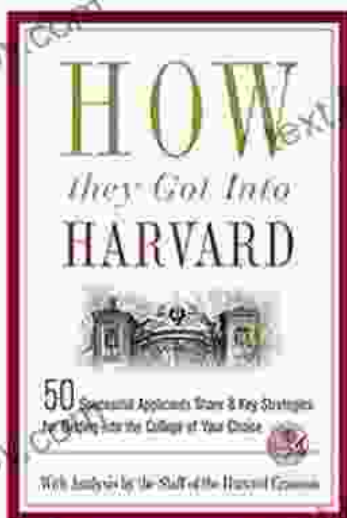

Who Should Read This Book

This book is a must-read for any high school student who is planning to apply to college. It is also a valuable resource for parents and counselors who are helping students through the college application process.

Description :

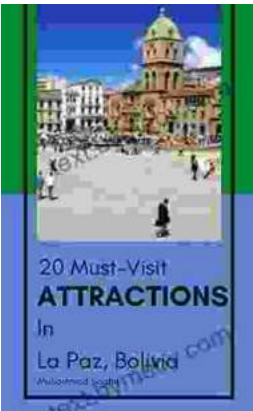

Proven Admissions Strategies from Successful Students In *How They Got into Harvard*, fifty successful applicants to Harvard University share their tips and tactics for succeeding in the college admissions process. The students profiled in this book were not all class valedictorians, star athletes, or Harvard "legacies." In fact, many were simply strong all-around applicants who beat the odds and got into one of the country's most selective institutions. Through each concise account of a single student's r233sum233 and admissions story, you'll learn lessons and strategies that you can use on your own applications. In all, eight key admissions strategies are addressed, including: How to identify and present a key talent How to make your well-roundedness an asset, not a weakness How to forge connections and use them to your advantage Each student profile also includes all their vital information, including: Test scores and GPA Extracurricular activities and awards Family background and hometown
