A War of Gods and Men

In the shadows of modern America, a war is brewing. Old gods, driven to the brink of extinction by the rise of technology and disbelief, are struggling to survive. Meanwhile, new gods, born from the dreams and desires of the modern age, are vying for power.

Caught in the crossfire is Shadow Moon, a recently released ex-con who becomes the unwilling bodyguard and confidant of Mr. Wednesday, a mysterious old man who claims to be Odin, the Allfather of Norse mythology.

A Quest for Meaning and Identity

As Shadow and Mr. Wednesday embark on a cross-country road trip, they encounter a cast of unforgettable characters from various mythologies, each with their own unique motivations and secrets.

Through his encounters with these gods, Shadow embarks on a quest for his own identity and purpose. He grapples with questions of faith, morality, and the nature of reality.
