Here is an excerpt from the book:

***“ "I had hit rock bottom. I had lost everything that was important to me: my job, my home, my family, and my self-respect. I was addicted to drugs and alcohol, and I was sleeping with anyone who would have me.***

***One day, I woke up and realized that I couldn't live like this anymore. I knew that I needed to change, but I didn't know how.***

***That's when I found a support group. I met other people who were struggling with addiction and adultery, and they helped me to see that I was not alone.***

***I started going to therapy, and I began to work on my recovery. It was hard, but I was determined to get my life back.***

***Today, I am sober and free from addiction. I have a job, a home, and a family. I am also in a healthy relationship.***

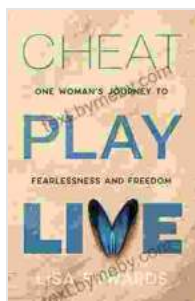

***I am so grateful for the second chance that I have been given. I know that I am not perfect, but I am committed to living a life of sobriety and redemption."”***

If you are struggling with addiction or adultery, I encourage you to read this book. It is a story of hope and healing, and it will leave you feeling inspired and uplifted.
