The 1970s

Roy Thomas began writing Conan the Barbarian in 1970, and his first issue was published in October of that year. Thomas's early Conan stories were heavily influenced by Howard's original stories, but he also brought his own unique vision to the character. Thomas's Conan was a more complex and introspective character than Howard's, and he often struggled with the moral implications of his actions.

Thomas also introduced a number of new characters to the Conan mythos, including the sorceress Red Sonja and the thief Conan the Thief. These characters would go on to become fan favorites, and they helped to expand the world of Conan beyond the pages of Howard's original stories.

In 1972, Thomas took over as editor of Marvel Comics' Conan the Barbarian title. As editor, Thomas was responsible for overseeing the work of a number of talented artists, including Barry Windsor-Smith, John Buscema, and Neal Adams. These artists helped to bring Thomas's Conan stories to life with their stunning artwork, and they played a major role in the success of the comic book series.

The 1990s

In the 1990s, Roy Thomas returned to writing Conan the Barbarian for a new series published by Dark Horse Comics. This series, which ran for 50 issues, was a critical and commercial success, and it helped to reintroduce Conan to a new generation of fans.

Thomas's 1990s Conan stories were more mature and complex than his earlier work on the character. He explored Conan's inner demons and his

struggles with the forces of evil. He also introduced a number of new characters, including the assassin Belit and the wizard Thoth-Amon.
