In this gripping tale, we are introduced to three compelling characters: Laura, Jennie, and Richard. Laura is a young woman who has just moved into a new apartment in a quiet neighborhood. She soon begins to experience strange and unsettling events, such as hearing strange noises at night and seeing mysterious figures out of the corner of her eye. Jennie is a psychiatrist who is drawn into Laura's case when she begins to exhibit signs of mental instability. Richard is a private investigator who is hired by Laura to help her uncover the truth behind the strange happenings in her apartment.

As Laura, Jennie, and Richard investigate the strange occurrences in Laura's apartment, they soon realize that they are dealing with something far more sinister than they could have ever imagined. The lines between reality and illusion begin to blur, and they are all forced to confront their own darkest fears.
