Have you ever wondered what it would be like to be a kid in ancient China? What games would you play? What would you eat? What kind of school would you go to? How different would your life be from the life you live today?

If You Were a Kid in Ancient China answers these questions and more, taking young readers on a fascinating journey back in time. They'll learn about:

- The different social classes in ancient China and how they affected children's lives
- The traditional Chinese family and the roles of children within it
- The education system, from the basics to higher learning

- The toys and games that children played
- The food that children ate
- And much more!

If You Were a Kid in Ancient China is written in a lively, engaging style that brings the past to life for young readers. It's the perfect book for kids who are interested in Chinese culture or history, or for anyone who simply wants to learn more about what life was like for kids in another time and place.
