

# Inspirational Journeys Round France By Camper Van And Motorhome

**By John and Jane Smith**

In 2016, we sold everything we owned and bought a camper van. We had always dreamed of traveling around France, and we thought that this would be the perfect way to do it. We packed up our belongings, said goodbye to our friends and family, and hit the road.

We spent the next year traveling around France, visiting some of the most beautiful and iconic places in the country. We drove along the winding roads of the French Riviera, hiked through the stunning Pyrenees mountains, and explored the charming villages of the Loire Valley. We met some amazing people along the way, and we had some incredible experiences.
