## **About the Author**

Lonely Planet is a leading travel media company that provides both inspiring and trustworthy information for every kind of traveler. Our mission is to enable curious travelers to experience the world and to make it a better place.

We believe that travel is a powerful force for good. It can open our minds, broaden our perspectives, and help us to understand the world around us. We also believe that travel should be accessible to everyone, regardless of their budget or background.

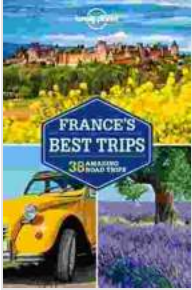

Lonely Planet was founded in 1973 by Tony and Maureen Wheeler. They set out to create a guidebook that was both practical and inspiring, and that would help travelers to make the most of their time on the road.

Lonely Planet has now published over 1,200 guidebooks and phrasebooks in more than 145 languages. Our books are used by millions of travelers every year, and we have a reputation for being the most trusted source of travel information.
