Martin Luther: Renegade and Prophet is a new book that challenges conventional wisdom about the Protestant Reformation. Author Lyndal Roper argues that Luther was not a heroic figure who single-handedly changed the course of Western Christianity, but rather a complex and often contradictory man whose ideas were shaped by his personal experiences and the political and social context of his time.

Roper's book is based on extensive research in primary sources, including Luther's own writings and the accounts of his contemporaries. She argues that Luther was a product of his time, and that his ideas were shaped by the political and social upheavals of the early 16th century. Luther was a passionate advocate for reform, but he was also a conservative who was deeply suspicious of change. He was a brilliant theologian, but he was also a man of contradictions, capable of great compassion and great cruelty.

Roper's book is a major contribution to our understanding of the Protestant Reformation. It is a complex and nuanced portrait of a complex and contradictory man. Roper's work will be essential reading for anyone interested in the history of Christianity or the history of Europe.

Lyndal Roper

Lyndal Roper is a professor of history at the University of Oxford. She is the author of several books on the history of the Reformation, including *The Holy Household: Women and Morals in Reformation Augsburg* and *Martin Luther: Renegade and Prophet*.

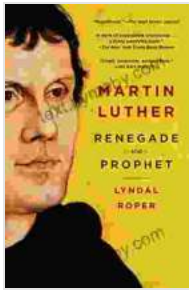

Reviews

"Lyndal Roper's *Martin Luther: Renegade and Prophet* is a brilliant and original work that challenges conventional wisdom about the Protestant Reformation. Roper's research is impeccable, her writing is clear and engaging, and her insights are profound. This book is a must-read for anyone interested in the history of Christianity or the history of Europe." - Diarmaid MacCulloch, author of *The Reformation: A History*

"Lyndal Roper's *Martin Luther: Renegade and Prophet* is a major contribution to our understanding of the Protestant Reformation. Roper's work is a complex and nuanced portrait of a complex and contradictory man. This book is essential reading for anyone interested in the history of Christianity or the history of Europe." - Jonathan Israel, author of *Radical Enlightenment: Philosophy and the Making of Modernity 1650-1750*
