Manhattan Prep's book, **Effective Strategies and Practice From 99th Percentile Instructors**, provides you with everything you need to succeed on the GMAT. It is written by our team of expert instructors who have helped thousands of students achieve their 99th percentile goals.

## What's Inside the Book?

The book is divided into three comprehensive sections:

1. **Verbal:** This section covers all of the verbal question types on the GMAT, including reading comprehension, critical reasoning, and sentence correction. Our expert instructors provide clear and concise explanations of each question type, along with a wealth of practice questions to help you master the material.
2. **Quantitative:** This section covers all of the quantitative question types on the GMAT, including number properties, algebra, geometry, and data analysis. Again, our expert instructors provide clear and concise explanations of each question type, along with a wealth of practice questions to help you master the material.
3. **Analytical Writing:** This section covers the analytical writing section of the GMAT. Our expert instructors provide a detailed overview of the task, along with a step-by-step guide to help you write a high-scoring essay.

## Why Choose Manhattan Prep?

There are many reasons why you should choose Manhattan Prep's book over other GMAT prep materials.

- **Our instructors are experts:** Our team of instructors is made up of former GMAT test takers who have scored in the 99th percentile. They have a deep understanding of the test and know exactly what it takes to succeed.
- **Our materials are proven:** Our book has been used by thousands of students to achieve their 99th percentile goals. We have a track record of success that is unmatched by other prep providers.

- **Our approach is comprehensive:** We cover all of the material on the GMAT, and we provide a variety of practice questions to help you master each question type.
- **Our commitment to student success:** We are committed to helping you succeed on the GMAT. We offer a variety of resources, including online forums, live chat, and personalized tutoring, to help you along the way.
