

Misfit Memoir of Great Punk Rock and the Fight to Fit In

In this raw and honest memoir, author John Doe takes us on a journey through the ups and downs of the punk rock scene, and the struggle to find his place in a world that often didn't understand him.

John grew up as an outsider, a misfit who never quite fit in. He found solace in punk rock, and in the community of like-minded people that it brought him. But even within the punk scene, John struggled to find his place. He was too soft for some, too angry for others, and too different for everyone else.
