Money Trains and Guillotines is a gripping historical novel that transports readers to the tumultuous era of the French Revolution. This epic tale follows the intertwined destinies of three individuals caught in the crosshairs of a rapidly changing world. Intrigue, romance, and betrayal collide in this thrilling story of the rise and fall of a nation.

The year is 1789. France is on the brink of revolution. The monarchy is bankrupt, the people are starving, and the air is thick with tension. In this volatile atmosphere, three very different people find their lives intertwined.

Marie Antoinette is the young queen of France. She is beautiful, frivolous, and hopelessly out of touch with the suffering of her people. **Maximilien Robespierre** is a brilliant lawyer and a passionate advocate for the rights of the poor. He is determined to overthrow the monarchy and establish a new, just society. And **Danton** is a charismatic and ruthless revolutionary who will stop at nothing to achieve his goals.

As the revolution unfolds, these three characters find themselves on opposite sides of the barricades. Marie Antoinette is imprisoned and eventually executed. Robespierre becomes the leader of the Reign of

Terror, during which thousands of people are guillotined. And Danton is betrayed and executed by his own comrades.

Money Trains and Guillotines is a gripping and unforgettable story of greed, power, and revolution. It is a tale that will stay with you long after you finish reading it.
