With over 30 years of fly fishing experience in Pennsylvania, Paul Weamer has a deep understanding of the insect life that trout rely on. His pocketguide is a comprehensive and user-friendly resource that provides detailed descriptions of over 70 of the most important hatches in the state.

For each hatch, Weamer includes information on:

- The time of year when the hatch occurs
- The size and color of the insects

- The type of water where the hatch is most likely to occur
- The best flies to use to imitate the hatch

In addition to hatch descriptions, the pocketguide also includes several helpful appendices, such as a guide to fly tying and a list of recommended fly shops in Pennsylvania.

If you're serious about fly fishing in Pennsylvania, then you need *Pocketguide To Pennsylvania Hatches*. It's the ultimate resource for matching the hatch and catching more trout.

What's Inside

In addition to the detailed hatch descriptions, the *Pocketguide To Pennsylvania Hatches* also includes the following:

- A guide to fly tying
- A list of recommended fly shops in Pennsylvania
- A glossary of fly fishing terms
- An index of hatches by month

The pocketguide is also fully illustrated with color photographs of the insects and flies discussed in the text.

Author Bio

Paul Weamer is a lifelong fly angler and fly tier. A native Pennsylvanian, Paul has been fishing the state's trout streams for over 30 years. He is the

author of several books on fly fishing, including *Fly Fishing Pennsylvania's Limestone Streams* and *Tying Flies That Catch Trout*.

Paul is also a certified fly casting instructor and a member of the American Fly Fishing Trade Association. He lives in Harrisburg, Pennsylvania, with his wife and two children.
