Print length : 34 pages

The book begins with the arrival of the first Europeans in the West in the 16th century. It then traces the history of settlement and unsettlement through the fur trade, the mining booms, the cattle drives, and the homesteading era. Along the way, the book examines the impact of these events on the Native American tribes who lived in the West, as well as the environmental consequences of settlement.

**Settling and Unsettling the West** is a valuable resource for students and scholars of Western history. It is also a fascinating read for anyone interested in the history of the United States.

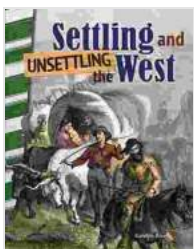

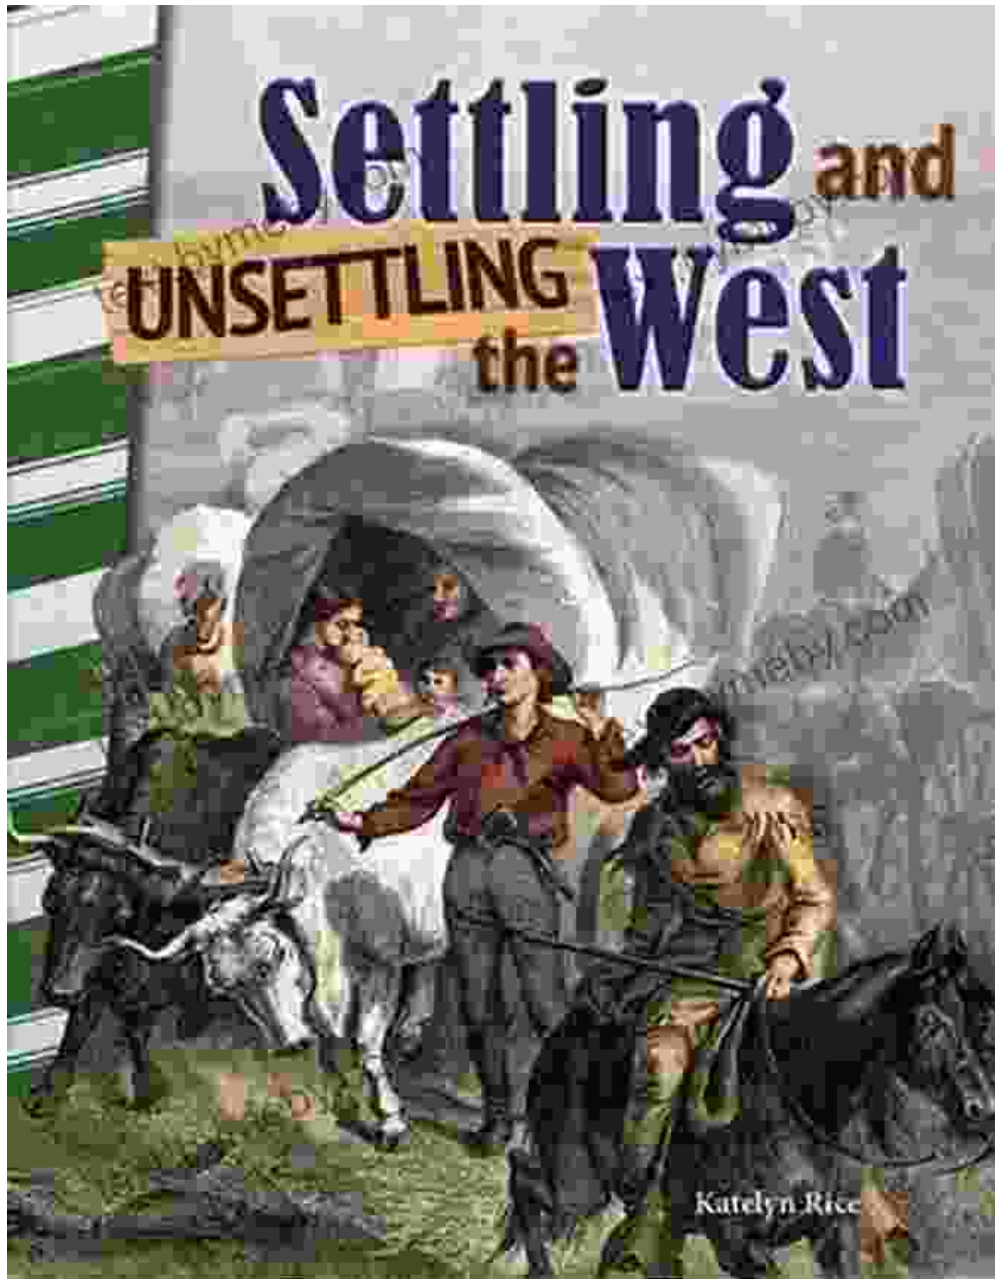

## Reviews

"**Settling and Unsettling the West** is a must-read for anyone interested in the history of the American West. It offers a fresh perspective on this important topic, and it is sure to provoke discussion and debate." - H.W. Brands, author of *The First American: The Life and Times of Benjamin Franklin*

"**Settling and Unsettling the West** is a valuable addition to the literature on the American West. It provides a rich collection of primary source readings that will help students and scholars understand the complex history of this region." - Patricia Nelson Limerick, author of *The Legacy of Conquest: The Unbroken Past of the American West*
