

The Heroic Adventures of The John Harvey Boston Globe Horn Awards Awards

The John Harvey Boston Globe Horn Awards are a prestigious honor given to journalists who have made outstanding contributions to the field. The awards are named after John Harvey, a legendary Boston Globe editor who was known for his commitment to excellence in journalism.

The Horn Awards have been given out annually since 1975, and have recognized some of the most talented and dedicated journalists in the world. Winners have included reporters, editors, photographers, and broadcasters who have worked on stories that have changed the world.

This book tells the stories of some of the most heroic and inspiring journalists who have won the Horn Awards. These are journalists who have risked their lives to report on important stories, who have fought for justice, and who have helped to make the world a better place.

The first Horn Awards were given out in 1975, and the early winners were a diverse group of journalists who had made significant contributions to the field. One of the first winners was Nicholas Gage, a New York Times reporter who wrote a groundbreaking series on the Greek-American community. Another early winner was Seymour Hersh, a Pulitzer Prize-winning reporter who exposed the My Lai Massacre during the Vietnam War.

The early Horn Awards winners set a high standard for the awards, and in the years since, the awards have continued to recognize some of the most talented journalists in the world.

The 1980s and 1990s were a golden age for journalism, and the Horn Awards winners during this time reflected the high quality of journalism that was being produced. One of the most famous Horn Awards winners from this era was Bob Woodward, who won the award for his reporting on the Watergate scandal. Other notable winners from this era include:

- **David Halberstam:** Pulitzer Prize-winning reporter who covered the Vietnam War
- **Anthony Lewis:** Pulitzer Prize-winning columnist for The New York Times
- **Mike Royko:** Pulitzer Prize-winning columnist for the Chicago Tribune

The Horn Awards winners from this era helped to shape the way that we think about journalism, and their work continues to inspire journalists today.

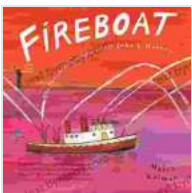

The digital age has brought about new challenges for journalism, but the Horn Awards winners from this era have shown that great journalism can

still be produced in the digital age. One of the most notable Horn Awards winners from this era is Glenn Greenwald, who won the award for his reporting on the Edward Snowden leaks. Other notable winners from this era include:

- **Sarah Koenig:** Creator and host of the podcast "Serial"
- **ProPublica:** Nonprofit investigative journalism organization
- **The Marshall Project:** Nonprofit journalism organization that focuses on criminal justice

The Horn Awards winners from this era are using new tools and technologies to tell important stories that are making a difference in the world.

The John Harvey Boston Globe Horn Awards are a prestigious honor given to journalists who have made outstanding contributions to the field. The winners of the Horn Awards are a diverse group of journalists who have worked on stories that have changed the world. Their work is a testament to the power of journalism, and it continues to inspire journalists today.
