"The Hunt For The Most Meticulous Serial Killer Of The 21st Century" is a must-read for anyone interested in true crime or the Zodiac case.

Graysmith's meticulous research and insights provide a fresh perspective on one of the most enduring mysteries of our time.

The Zodiac Killer

The Zodiac Killer was a serial killer who operated in the San Francisco Bay Area in the late 1960s and early 1970s. The Zodiac is believed to have killed at least five people, and possibly as many as 37. The Zodiac's victims were typically young couples who were parked in secluded areas. The Zodiac would approach the couples, shoot the man, and then stab the woman. The Zodiac also sent a series of cryptic letters to the police and the press, in which he taunted the authorities and claimed responsibility for the murders.

The Zodiac case has been investigated by law enforcement agencies for decades, but the Zodiac's identity has never been definitively established. There have been numerous suspects over the years, but none have been definitively linked to the crimes. The Zodiac case remains one of the most enduring mysteries of our time.
