One day, Chicken Little was sitting in the yard when she heard a loud noise. She looked up and saw a big, round object falling out of the sky. Chicken Little was so scared! She ran around the farm, yelling, "The sky is falling! The sky is falling!"

All the other animals on the farm heard Chicken Little's cries, and they all started to panic. The cows mooed, the pigs squealed, and the sheep baaed. Soon, all the animals on the farm were running around in a frenzy.

When the sky finally hit the ground, the animals were all surprised to see that it wasn't falling at all. It was just a big, round acorn that had fallen from a tree. Chicken Little was so relieved! She had been so worried for nothing.

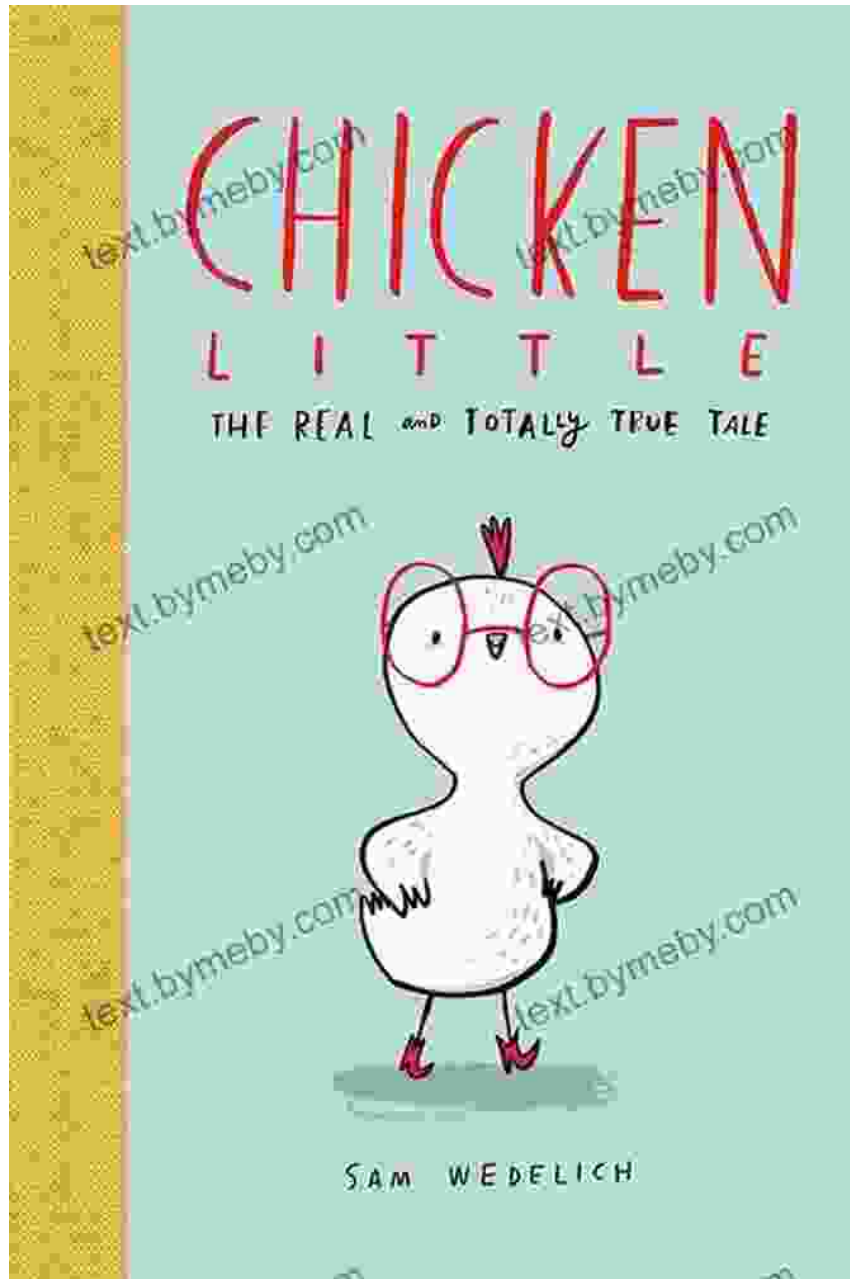

The other animals were still a little bit scared, but Chicken Little calmed them down. She told them that the sky wasn't falling, and that they didn't need to worry. The animals all agreed, and they all went back to their normal lives.

Chicken Little was still a worrier, but she learned that not everything she worried about was real. She also learned that it's important to stay calm and not panic, even when things seem scary.

The Real And Totally True Tale Of The Real Chicken Little is a hilarious and heartwarming story about a chicken who learns to overcome her fears. It's a perfect story for kids of all ages, and it teaches important lessons about bravery, friendship, and teamwork.
