

The Terrifying True Story of Charles Whitman

By Ryan Green

On August 1, 1966, Charles Whitman climbed to the observation deck of the University of Texas at Austin tower and opened fire on the unsuspecting crowd below. Over the next 96 minutes, he killed 16 people and wounded dozens more before he was finally killed by police. It was one of the most horrific mass shootings in American history.

The Terrifying True Story of Charles Whitman is a gripping and disturbing account of this senseless tragedy. Ryan Green, a veteran true crime writer, has meticulously researched the case, and he provides a chilling reconstruction of the events leading up to and during the shooting. Green also delves into Whitman's troubled childhood and his history of mental illness, providing a possible explanation for his violent outburst.
