They're Your Kids is a revolutionary guide to loving, supporting, and raising extraordinary children. This book will help you to create a strong and loving relationship with your children, and will provide you with the tools you need to help them succeed in school and in life.

They're Your Kids is based on the latest research in child development and education. The authors, Dr. John Gottman and Julie Schwartz Gottman, are

world-renowned experts on parenting. They have spent years studying what makes successful families, and they have distilled their findings into this easy-to-follow guide.

They're Your Kids is not a one-size-fits-all approach to parenting. The authors recognize that every child is different, and they provide tailored advice for each stage of development. They also offer practical tips for dealing with common parenting challenges, such as discipline, homework, and screen time.

If you're looking for a comprehensive guide to parenting, They're Your Kids is the perfect book for you. This book will help you to create a strong and loving relationship with your children, and will provide you with the tools you need to help them succeed in school and in life.

### **What's Inside They're Your Kids?**

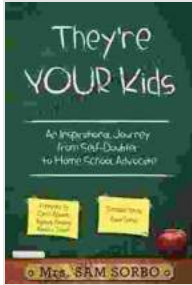

They're Your Kids is divided into four parts:

1. **The Science of Parenting:** This section provides an overview of the latest research on child development and education. The authors discuss the importance of attachment, play, and discipline, and they offer practical tips for applying this research to your own parenting.
2. **The Art of Parenting:** This section focuses on the emotional side of parenting. The authors discuss the importance of love, empathy, and forgiveness, and they offer practical tips for building a strong and loving relationship with your children.
3. **The Toolkit for Parenting:** This section provides practical tips for dealing with common parenting challenges, such as discipline, homework, and screen time. The authors offer a variety of strategies to choose from, and they help you to tailor your approach to your own child's unique needs.
4. **The Future of Parenting:** This section looks ahead to the future of parenting. The authors discuss the challenges and opportunities that parents will face in the years to come, and they offer advice on how to prepare for the future.

They're Your Kids is a comprehensive guide to parenting that will help you to create a strong and loving relationship with your children, and will provide you with the tools you need to help them succeed in school and in life.

### **Free Download Your Copy Today!**
