Maggie Weldon's *Trail of Blood* is a gripping mystery novel that will keep you on the edge of your seat. Weldon's writing is sharp and suspenseful, and her characters are complex and well-developed. You won't be able to put this book down until you find out who the killer is.

The story centers around Detective Superintendent Luc Vanier, whose first day on the job almost turns fatal when he is attacked on his way to a crime

scene. He survives the attack, but his assailant is never found.

A few weeks later, Luc is called to investigate the murder of a young woman. The victim, Sarah Jones, was a prostitute who was killed in a particularly brutal fashion. Luc soon discovers that Sarah was not the first victim of this killer. There have been several other murders in the area, all of which have been committed in a similar manner.

As Luc investigates the murders, he begins to suspect that there is a serial killer on the loose. The killer is targeting prostitutes, and he is getting more and more brazen with each murder. Luc knows that he must stop the killer before he claims another victim.

Trail of Blood is a fast-paced and suspenseful thriller that will keep you guessing until the very end. Weldon does an excellent job of creating a sense of atmosphere and tension, and her characters are complex and well-developed. You will find yourself rooting for Luc as he tries to stop the killer and bring him to justice.

## Reviews

>Trail of Blood is a gripping mystery that will keep you on the edge of your seat. Maggie Weldon's writing is sharp and suspenseful, and her characters are complex and well-developed. I highly recommend this book." - New York Times Book Review

***“Trail of Blood is a must-read for fans of mystery and suspense. Maggie Weldon has crafted a gripping story that will keep you guessing until the very end.” - Publishers Weekly***
