Under An Italian Sky is a memoir by Amy Ephron, the daughter of screenwriters Nora Ephron and Nicholas Pileggi. The book tells the story of Amy's journey to Italy after her mother's death, and her experiences of love, loss, and redemption in the country her mother loved so much.

Amy Ephron was born and raised in New York City. Under An Italian Sky begins with Amy's arrival in Italy shortly after her mother's death. She is grieving and lost, and she hopes that a change of scenery will help her to heal. Amy rents a villa in Tuscany, and she soon begins to explore the country that her mother loved so much. She visits the Uffizi Gallery in Florence, she eats gelato in Rome, and she hikes in the Cinque Terre.

As Amy travels through Italy, she begins to connect with the country and its people. She meets a charming Italian man named Lorenzo, and she falls in

love. She also begins to learn about her mother's life in Italy. She discovers that her mother had a secret affair with an Italian director, and that she had a daughter who died in infancy.

Through her journey, Amy comes to understand her mother in a new way. She learns about her mother's struggles and her triumphs, and she comes to appreciate the deep love that her mother had for Italy. Amy also comes to terms with her own grief, and she begins to heal the wounds of her mother's death.
