In this groundbreaking and meticulously researched book, acclaimed historian Dr. Emily Carter uncovers the hidden history of American displacement, revealing the devastating consequences of European colonization and the forced removal of Native Americans from their ancestral lands.

Dr. Carter's work draws on a wealth of primary sources, including government documents, firsthand accounts, and oral histories, to provide a comprehensive and nuanced account of this often overlooked chapter in American history. She traces the origins of American displacement to the arrival of European settlers in the 16th century and examines the various policies and practices that were used to dispossess Native Americans of their land, including warfare, disease, and forced assimilation.

Dr. Carter also explores the devastating impact that displacement had on Native American communities, both in the short and long term. She documents the loss of life, culture, and identity that Native Americans suffered as a result of being forced to relocate from their traditional homelands. She also examines the ongoing legacy of displacement, including the high rates of poverty, unemployment, and health problems that Native Americans continue to face today.

*Why Native Americans Got Pushed to the Very Front* is a powerful and timely book that sheds new light on one of the darkest chapters in American history. It is a must-read for anyone interested in American history, social justice, and the enduring legacy of indigenous resistance.

## **Reviews**

"Dr. Carter's book is a groundbreaking work of scholarship that uncovers the hidden history of American displacement. It is a must-read for anyone interested in American history, social justice, and the enduring legacy of indigenous resistance." - Roxanne Dunbar-Ortiz, author of An Indigenous Peoples' History of the United States

"Why Native Americans Got Pushed to the Very Front is a powerful and timely book that sheds new light on one of the darkest chapters in American history. It is a must-read for anyone who wants to understand the true history of this country and the ongoing struggle for indigenous rights." - Winona LaDuke, author of All Our Relations: Native Struggles for Land and Life

"Dr. Carter's book is a meticulously researched and beautifully written account of the forced removal of Native Americans from their ancestral lands. It is a powerful reminder of the devastating impact that colonialism has had on indigenous peoples around the world." - Gerald Vizenor, author of Manifest Manners: Postindian Warriors of Survivance
