Through a series of evocative and lyrical essays, Kimberly chronicles her journey of rediscovery, from her first tentative steps into the wilderness to her eventual immersion in the natural world. Along the way, she explores the many ways that nature can heal and inspire us, from the simple pleasure of a walk in the woods to the profound experience of a vision quest. Kimberly's writing is both beautifully descriptive and deeply reflective, as she shares her insights into the interconnectedness of all

living things and the importance of finding our place within the natural world.

Wild Child Coming Home to Nature is a must-read for anyone who has ever felt lost or disconnected from the natural world. Kimberly's story is a reminder that we are all part of nature, and that we can find healing and inspiration in the wild places of the world.

Here is an excerpt from Wild Child Coming Home to Nature:

“ "I remember the first time I saw a wild deer. I was on a hike with my family, and we came across a clearing where a small herd of deer were grazing. I stood there, transfixed, as I watched these beautiful creatures move with such grace and ease. In that moment, I felt a deep connection to the natural world that I had never felt before. It was as if I had come home." ”

Wild Child Coming Home to Nature is a beautiful and inspiring book that will change the way you think about the natural world. Kimberly Reed's writing is both personal and universal, and her story will resonate with anyone who has ever felt lost or disconnected from nature. This book is a must-read for anyone who loves nature, or for anyone who is looking for a way to reconnect with the natural world.
